- I/We want to know more about WFMC.

We've been looking at different characters in the Christmas story - ordinary people who were open to how God wanted to work in and through them. Today, we encounter someone who by earthly standards was extraordinary, and unwilling to be open to what God was up to. As we look at this particular character, it's an opportunity for us to do some self-reflection, allowing the Holy Spirit to reveal and transform anything in us that is standing in the way of God working in and through us. ~ Pastor Andy
